OF SCARLET-FEVER, RHEUMATIC COUT, RHEUMATISM, AND NEPHRITIC COLIC. EXTRACT FROM A LETTER OF DR. G. W.

WELL-KNOWN PHYSICIAN OF HAMPTON, VA. A WELL-KNOWN PHYSICIAN OF HAMPTON, VA., MEMBER OF THE STATE ERDICAL SOCIETY:

"I have had but one occasion to prescribe the RUFFALO, LITHIA WATER in SCARLET-FE VER. In that case it promptly restored a healthy and abundant sexetion of arine, when it was highly charged with ALBUMEN, and the secretion was almost suppressed. I have not cribed them with decided advantage in CHRONIC RHEUMATISM, and have known them to five relief in cases of RHEUMATIC GGUF, causing absorption of deposits of uraies of sods. I have found them particularly valuable as a prophylactic in all of the many cases of NEPHREIIC COLIC (Gravel) in which I have prescribed them."
